Hi, sweetie! I'm on my way home. I just have one last delivery to make to the playground.
Great, hun! By the way... did you happen to see any spiders?

Spiders...?
Yeah, there was a huge one in the truck this morning!
Aaand you killed it, right?
Well it, uh... crawled under the seat somewhere, so...

Are you telling me you let me drive a potentially spider-infested vehicle to work?!
You know I'm terrified of-!

Um, excuse me.

It's silly, but I seem to have gotten myself a bit trapped in here!
Would you mind showing me the exit?

Haha, funny you should ask!
I was just on my way out!
